### Creative Suite 3 Design Premium Student\*\* Adobe®

**Student Price: \$449.00\***

Education Price: \$920.00

**MAC** B190605 **WIN** B190607

Deliver innovative ideas in print, web, and mobile design

Adobe® Creative Suite® 3 Design Premium software is the designer's dream toolkit for print, web, and mobile publishing. It combines all-new versions of essential tools for professional page layout, image editing, illustration, and Adobe PDF workflows with new tools for producing engaging websites, interactive experiences, and mobile content—all in a unified, intuitive design environment.

### Creative Suite 3 Design Standard Student\*\* Adobe®

**Student Price: \$299.00\***

Education Price: \$616.00

**MAC** B190609 **WIN** B190610

Master deadlines in design and print production

Adobe® Creative Suite® 3 Design Standard software is the indispensable toolkit for professional design and print production. It combines all-new versions of essential tools for page layout, image editing, illustration, and Adobe PDF workflows in a tightly integrated creative environment. With Design Standard, you can express and print your ideas faster and more easily than ever before.

### Creative Suite 3 Web Standard Student\*\* Adobe®

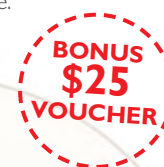

**Student Price: \$299.00\***

Education Price: \$616.00

**MAC** B190648 **WIN** B190649

Streamline web design, development, and maintenance.

Adobe® Creative Suite® 3 Web Standard software is the basic toolkit for web designers and developers. It offers all-new versions of fundamental tools for creating and maintaining interactive websites, applications, and mobile device content. Prototype your projects, design assets, and build and maintain professional web experiences.

### Creative Suite 3 Production Premium Student Adobe®

**Student Price: \$449.00\***

Education Price: \$920.00

**MAC** B190646 **WIN** B190649

Put ideas in motion with the total post-production solution

Maximize your productivity with Adobe® Creative Suite® 3 Production Premium software, the total post-production solution available for both Mac and Windows®. Tighter-than-ever integration between Adobe's all-new video, audio, and design tools - now including Adobe Flash® CS3 Professional software - offers a smooth workflow from concept to delivery. Reach the widest possible audience by delivering content to film, video, DVD, Blu-ray Disc, the web, and mobile devices.

### Creative Suite 3 Master Collection Student Adobe®

**Student Price: \$749.00\***

Education Price: \$1532.00

**MAC** B190644 **WIN**

Design across media

Follow your ideas anywhere with Adobe® Creative Suite® 3 Master Collection software, a comprehensive creative environment featuring highly integrated, exceptionally productive tools. Master Collection is a value-packed offering that helps you meet deadlines while you express your creative vision in print, web, interactive, film, video, and mobile design.

### Photoshop CS3 Extended Student Adobe®

Education Price: \$462.00

**MAC** B190652 **WIN** B190655

Discover new dimensions in digital imaging

Ideal for film, video, and multimedia professionals and graphic and web designers using 3D and motion, as well as professionals in engineering and science, Adobe® Photoshop® CS3 Extended software delivers everything in Photoshop CS3 and more. Render and incorporate 3D images into your 2D composites. Stop time with easy editing of motion graphics on video layers. And probe your images with measurement, analysis, and visualization tools.

\*\* \$25 Co-op voucher with purchase of Student Edition (while stocks last)

## Lightroom 1.0 *Adobe®*

Education Price: \$153.00

**MAC/WIN** B186943

**Work with a tool focused on photographers' needs**

New Adobe Photoshop Lightroom software is the professional photographer's essential toolbox, providing one easy application for managing, adjusting, and presenting large volumes of digital photographs so you can spend less time in front of the computer and more time behind the lens.

## Premiere Pro CS3 *Adobe®*

Education Price: \$559.00

**MAC** B190262 **WIN** B190268

**Capture, edit, and deliver video to disc, the web, and mobile devices**

Tell your story with maximum impact using **Adobe® Premiere® Pro CS3** software, the start-to-finish solution for efficient video production that now includes Adobe Encore® CS3 and Adobe OnLocation™ CS3\* (Windows® only), formerly the award-winning DV Rack™ HD. Save time from on-set capture using Adobe OnLocation through to output, expand your creative options via integration with Adobe After Effects® CS3 Professional and Photoshop®, and deliver your content to DVD, Blu-ray Disc, the web, and mobile devices.

## After Effects Professional CS3 *Adobe®*

Education Price: \$559.00

**MAC** B190307 **WIN** B190308

**Create motion graphics and visual effects with the industry standard**

Bring your vision to life with blockbuster visual effects and compelling motion graphics in **Adobe® After Effects® CS3 Professional** software. Work with sophisticated tools and enjoy tight integration with Adobe's leading design applications while you deliver stunning work to virtually any media type. Design from scratch or jump-start projects from hundreds of fully customizable presets and templates—all from within a streamlined interface.

## Photoshop Elements 5.0 *Adobe®*

Education Price: \$103.00

**WIN** B165745

**Bring out the best in your photos**

**Adobe Photoshop Elements 5.0** software combines power and simplicity so you can do more with your photos. Instantly fix flaws or adjust color and lighting with new advanced controls. Quickly drop your photos into customizable layouts and show off your creativity with dynamic web photo galleries created using Flash® technology. And view all your photos and video clips in one convenient place.

## Premiere Elements 2.0 *Adobe®*

Education Price: \$103.00

**WIN** B165746

**Bring your home videos to life**

**Adobe Premiere Elements 3.0** software makes creating and sharing impressive home videos a snap. Burn your footage to DVD in two simple steps, complete with a DVD menu and scene index, or easily assemble your movie by rearranging clips with drag-and-drop simplicity. And share your movies on DVD, the web, mobile phones, and virtually anywhere else.

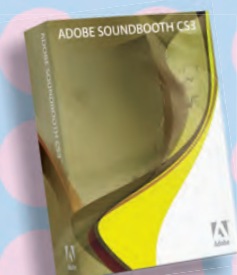

## Soundbooth CS3 *Adobe®*

Education Price: \$159.00

**MAC** B190309 **WIN** B190310

**Edit and create audio with fast, intuitive tools**

Take command of your audio in film, video, or Adobe® Flash® projects with task-based tools to clean up recordings, polish voice-overs, customize music and sound effects, and much more. **Adobe Soundbooth™ CS3** software has an intuitive interface that helps you get the job done quickly without sacrificing creative control.

**QuarkXPress 7 Education** *Quark*

Academic Price: \$249.00  
**WIN/MAC** B178651

**Amazing creativity combined with rock-solid productivity**

Market-leading layout tool **QuarkXPress 7** enables creativity with flexible transparency, OpenType support, robust PDF and PDF/X output, and a unique industrial-strength image manipulation engine. Much more than a page layout tool, QuarkXPress provides proven performance with graphics and colour management, text processing Web-page design, XML output and more!

**QuarkXPress 7** new features:

- Transparency and drop shadows
- Composition Zones · New Measurement palette
- Unicode and OpenType · Enhanced picture effects and Adobe Photoshop® integration
- Quark Job Jackets · Shared Content
- Tables enhancements

**Intuos3 (6" x 8")** *Wacom*

Academic Price: \$349.00  
**WIN/MAC** B122342

**Intuos3** gives you the power to quickly and professionally edit photos and create digital artwork by turning on the full power of Adobe® Photoshop®, Corel® Painter™, and over 100 other leading software applications. Intuos3 tablets now put ExpressKeys™ and Touch Strips right at your fingertips for convenient keyboard shortcuts, scrolling, zooming, brush size control, and more. Wacom's patented pen technology gives you the natural feel and superior performance of Wacom's patented cordless and battery-free tablet technology.

**Graphire4 (6"x8") Education** *Wacom*

Academic Price: \$220.00  
**WIN/MAC** B184454

With **Graphire4**, you can draw, sketch and illustrate. The creative freedom with the patented pressure sensitive pen technology makes a wide variety of projects easy from fantastic homepages and painting with brush-like control to detailed photo editing and retouching. The tablet also comes with handy express keys, scroll wheel and pen storage compartment.

Bundled software:

- Unlead Photoshop Explorer 8 Basic
- Adobe Photoshop Elements 3
- Corel Painter Essentials 2
- Pen Plus

## McAfee SiteAdvisor™

### McAfee SiteAdvisor™ *McAfee*

**www.siteadvisor.com Download Now - It's Free!**

We test the Web to help keep you safe from spyware, spam, viruses and online scams. Print\McAfee SiteAdvisor™ is a plug-in for Internet Explorer and Firefox browsers that tests, analyses and rates websites in detail for unsafe or annoying practices such as dangerous downloads, spamming, misuse of personal information and browser hijacking. This helps you sidestep possible identity theft or fraud traps. When searching with Google, Yahoo! or MSN, SiteAdvisor's easy-to-understandsafety ratings – red (danger), yellow (information) or green (safe) – appear next to search results.
